**Subject:** Ordinance No. 2013-01 Setting Morningside Water Rates For 2013

## **Action Requested:**

Approve Ordinance 2013-01 Setting Morningside Water Rates for 2013 and waive second reading.

## **Information / Background:**

Minneapolis and Edina have entered into a contract whereas Minneapolis will charge Edina 62% of the Minneapolis inside City resident rate. The Minneapolis inside City resident rate had been adopted by the Minneapolis City Council at \$3.29 which at the 62% would equal an amount charged to Edina per unit of 100 cubic feet of \$2.04. The total rate for 2013 would be the Minneapolis rate of \$2.04 plus Edina's consumption rate of \$.40 to equal a total water usage rate of \$2.44 per 100 cubic feet. This rate would compare to \$2.36 charged in 2012 (\$1.98 Minneapolis rate and \$.38 Edina consumption rate).
